REGISTER BY APRIL 5 FOR THE BEST RATES

BE IN A POSITION OF KNOWLEDGE.

Lenders are continually changing underwriting parameters in this economic environment. Financial underwriting and sound valuation projections for self storage assets has never been more critical.

- Are you able to react quickly to market changes?
- Do you know the true market value of your property(s)?
- Could you overpay for your next acquisition?
- Do you have a presentation quality analysis available for your lender?

The SSA Valuation & Acquisition Course is a unique, graduate level real estate investment and management course. In this 16-hour, 3-day course, learn how to apply decision-making financial modeling techniques for potential acquisitions or existing facilities. Multiple valuation techniques for financial modeling are discussed as are two actual self storage case studies. Case scenarios apply to expansions, request for financing, and buy or sale property valuations. Property operations are discussed throughout the course including many cost saving suggestions.

WHO SHOULD ATTEND?

The program is designed for experienced industry professionals: self storage owners, investors, CFOs, and other self storage executives with a working knowledge of self storage investment and management. Additional registrants from the same company receive a registration discount. Please see details on the registration form.

WHAT YOU WILL LEARN?

Property valuation based on sound financial modeling enhances negotiations with lenders, buyers, sellers and investors. The SSA Valuation & Acquisition Course discusses multiple valuation topics and teaches you specific techniques for financial modeling using a direct capitalization and discounted cash flow valuation tools.

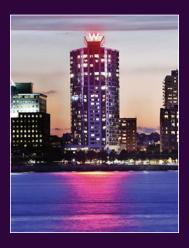

WHAT YOU WILL TAKE AWAY?

You'll receive two financial modeling tools: a direct capitalization worksheet and a discounted cash flow worksheet, created specifically for this course. These modeling tools use sophisticated valuation methodologies that incorporate a comprehensive array of assumptions that are unique to the self storage business. Whether you are interested in property acquisitions, repositioning a property within a market, expanding a facility, or reducing expenses, the SSA's valuation tools can assist you in making sound economic decisions.

- Learn how to make sense of today's property values by replicating an actual acquisition by inputting data into the financial models to determine the feasibility of the projects.
- Understand the interrelationship between business plans, acquisitions, financing, and dispositions.
- Exchange ideas throughout the class in an open format with students and instructors.
- Learn how to review, control, and negotiate property taxes and insurance—two of the largest and least understood expenses.

VALUATION & ACQUISITION COURSE

Do you really think one size fits all? **We don't!**

Whether you are looking to acquire a facility, secure financing, review the property tax bill, or value your asset for disposition, this program provides the insight and tools to provide clarity.

The Self Storage Association's Valuation and Acquisition program is specifically designed to help you make sense of the deal. In a world where lenders are trying to find solid footing, and it's time to refinance, or buy a property for a price that makes financial sense, everything is riding on your next move. When timing is everything the clarity of your projections, anticipating the "what ifs", and overlaying your assumptions with a clearly defined operating plan are critical.

FINANCIAL MODELING FOR SELF STORAGE

Created specifically for the SSA, the impressive financial modeling tools use detailed valuation methodologies that incorporate a comprehensive array of assumptions unique to the self storage industry.

COURSE MATERIALS

Each attendee will receive a comprehensive set of course materials and two Excel valuation worksheets. Accordingly, each attendee must bring a laptop computer to use at this program (Windows format preferred).
