CONFERENCE SCHEDULE

SSA CONNECTS

SSA events are developed by self storage professionals, for storage professionals. Your further success is our goal. At our 2026 Spring Conference & Trade Show (March 18–20), you'll find sessions jammed with topics geared to you, the self storage professional. This is your chance to learn from the best, network with your peers and the industry's top suppliers, and **have fun!**

Experience for yourself the power of SSA, as we present a program packed with timely information for individuals responsible for every segment of the self storage industry... site and area managers, owners, developers, suppliers... **those who have made a significant investment in self storage.**

ATTENTION NON-MEMBERS

Join now and save! Members receive discounted prices for most conference activities. You qualify for member pricing if you join SSA when you register.

Email SSA headquarters at info@selfstorage.org, or visit our website at selfstorage.org to join today.

THE SSA TRADE SHOW PRODUCTS AND SERVICES FOR STORAGE PROFESSIONALS

Our exhibitors have an abundance of information on the products and services you need to take your business to the next level. SSA is committed to providing its members access to the finest industry resources available. Our vendors have a wealth of industry knowledge, and are eager to share their wisdom with you. Whether you're an industry veteran or a newcomer, you'll find exciting resources at the SSA Trade Show. Those without the time to participate in all of our convention activities, but who still want information on the resources available to the self storage industry, may register to attend just the Trade Show. Trade Show-only registrations start at \$190. General, Keynote and Educational sessions, Roundtable Discussions, and the Welcome Reception are not included in Trade Show-Only Registration.

Insurance regulations do not permit anyone under the age of 16 in the exhibit hall. This includes babies in strollers or backpacks.

ROUNDTABLE DISCUSSIONS

This lively session is always standing-room-only, but we've only scheduled one session to allow you more discussion time. Industry experts will lead informal discussions on marketing, financing, operations, hiring, and dozens of other timely subjects. Participants rate our Roundtable Discussions as an extremely valuable component of SSA's Conferences. They are included in your registration fee, and you won't want to miss them.

LOCATION, LOCATION...

HENRY B. GONZÁLEZ CONVENTION CENTER

All of our events will take place at the Henry B. González Convention Center, which is great for networking throughout your stay! You'll want to be in the midst of all of our activities. Nestled in the heart of historic downtown San Antonio, along the banks of the world-famous River Walk, thrives the nucleus of the city's convention industry. The Henry B. González Convention Center (HBGCC) plays host to more than 300 events each year, with over 750,000 convention delegates from around the world.

MARRIOTT RIVERCENTER AND MARRIOTT RIVERWALK

Our room blocks are located at the Marriott Rivercenter and Marriott Riverwalk. Hotel guests can easily explore a wide variety of River Walk attractions, stroll right across the street to the Convention Center, or visit the Alamo and vibrant downtown area. SSA has negotiated the lowest group rates starting at \$264 (plus tax/fees). To ensure you receive these rates, book your room today at selfstorage.org. The SSA room block is likely to sell out well before the cut-off date of February 9. You may also call the Marriott Reservations Department at 877-622-3056 and reference Self Storage Association.

Founder,
Extra Space Storage

"Over the last 47 years, I've learned something when I attended an SSA Conference. More importantly, I met people. It's more meaningful to me to come for the friendships, not the business. That's more valuable to me than what I've learned."

JAMIE SIMINOFF

*Created Ring, the world's first Wi-Fi video doorbell,
which was acquired by Amazon in 2018 for over \$1 billion.*

A lifelong inventor and mission-driven entrepreneur, Jamie Siminoff created the world's first Wi-Fi video doorbell while working in his garage in 2011. That doorbell has since transformed into Ring, the whole-home security powerhouse that was acquired by Amazon in 2018 for over \$1b. Prior to Ring, Jamie founded and sold several successful ventures, including PhoneTag, the world's first voicemail-to-text company. Today Jamie focuses on a multitude of ventures through Shark Lake Explorations, his family office.

Jamie holds his Bachelor of Science in Entrepreneurship from Babson College. When he's not working, Jamie enjoys spending time with his wife, son, and dogs Pancake and Biscuit.
